

Dear Researcher (or Librarian),

Scientific Knowledge Services and EISZ Consortia have arranged a Springer eBook Trial for your library, which will be available to you starting **1st of April 2014 until 31st of May 2014**. Everyone in your institution will have access to all Springer eBooks published in 2005 - 2013 via [SpringerLink](#). This gives your users access to tens of thousands of key eBooks, eBook Series and eReference Works.

Springer eBooks are grouped in 13 fully indexed and searchable Subject Collections:

- [Behavioral Science](#)
- [Biomedical and Life Sciences](#)
- [Business and Economics](#)
- [Chemistry and Materials Science](#)
- [Computer Science](#)
- [Earth and Environmental Science](#)
- [Energy](#)
- [Engineering](#)
- [Humanities, Social Sciences and Law](#)
- [Mathematics](#)
- [Medicine](#)
- [Physics and Astronomy](#)
- [Professional Computing and Web Design](#)

Your trial access also includes the trusted Springer Reference Works. Springer has **more than 280 reference works** online and all are included in the yearly eBook collections! Amongst others:

- [Handbook of Combinatorial Optimization \(2nd Ed.\)](#)
- [Encyclopedia of Otolaryngology, Head and Neck Surgery](#)
- [Natural Products: Phytochemistry, Botany and Metabolism of..](#)

Also check out our prestigious

[Encyclopedia of Sustainability Science and Technology](#); an unprecedented coverage of sustainability science and technology (18 volumes) with contributions from nearly 1000 leading scientists and engineers.

Or these unique sets of reference works:

- [Natural Compounds: Plant Sources, Structure and Properties](#)
- [Planets, Stars and Stellar Systems](#)
- [The Prokaryotes](#)

Would you like to know more about the advantages of the Springer eBook Collection? For detailed information on the subject area of your interest please visit springer.com/ebooks or contact us at

We urge you to make the most of this opportunity by turning to Springer eBooks often, and exploring all that this collection offers.

Yours sincerely,
